Dear Naughton Foundation,

I am writing to inquire about my eligibility for the Naughton Scholarship in light of my specific circumstances.

I plan to accept a deferred place on the Engineering with Management programme (TR038) at Trinity College Dublin, commencing in September 2026. Following a successful Leaving Certificate appeal, my points increased from 601 to 613. Unfortunately the points were updated when all place for the 2025–2026 academic year were accepted. This resulted in me getting deferred spot that was beyond my control.

My Leaving Certificate results include Higher Level H1 grades in Mathematics, Design and Communication Graphics, German, Chemistry, and Physics, along with a Higher Level H2 in Applied Mathematics and Computer Science, and a Higher Level H3 in English.

Having reviewed the scholarship requirements, I understand my circumstances may not align with the standard application timeline. However, I would be most grateful if the Foundation could consider making an exception in my case, given that the deferral occurred through no fault of my own.

I am extremely keen to join the Naughton Scholar community and would welcome the opportunity to discuss my application further at your convenience.

Thank you for taking the time to consider my request. I look forward to hearing from you.

Yours sincerely,
Shaurya Kapoor

Hi Shaurya

I am afraid but we only accept applications in the timeframe we outline each year and the timeframe for 25/26 was a closing on June 29, 2025

If you did not apply in 2025, I would suggest you apply in 2026 as sometimes, but very rarely, there are exceptions made for students who are not applying on the year of their Leaving Certificate. If you apply - opening March 2 - please include all the details you have outlined above

Yours

Bernard Klrk
